FROM THE PRESIDENT

Dear BAS members,

Included in this edition of Panorama are the winning entrants in our recent "Best of Bayside" Online Exhibition. Although only a modest number of members submitted work, by the closing date a lively collection of pictures had been entered. The display is still available for viewing on the BAS website. We thank the Bayside mayor Alex Del Porto, for agreeing to act as judge and congratulate Rod Edelsten, Vincent De Filippis, Rosemary Marsh and Anonymous for their winning pictures.

Long time BAS member, Eddie Moses is also excited to be holding his first solo exhibition, opening at Monsalvat on October 6th. Please see the flyer in this edition for details. A trip to Monsalvat, the old artists colony in Eltham is always a treat. The expansive grounds and their collection of pretty buildings are a pleasure to stroll around at anytime and the chance to combine it with a visit to Eddie's exhibition is a good reason to make the trip.

Also included here is a reminder of the opportunity to enter your work in the "Bayside Local" exhibition for 2023. This annual exhibition which is staged at the BACC Gallery downstairs from the studio, comes with a generous purse and is open to all artists with a link to Bayside. Applications close on Friday November 4th.
